# WHAT IS ARTICHOKE?

Artichoke is a Middle-Eastern-inspired restaurant set in the heart of Singapore's Arts and Heritage district.

The compound is over 130 years old (built in the 1890s) and is one of our island's last remaining cobblestone courtyards. Over the years, the space has been used as a church, school, motor garage, army officers' barracks and 3D sculpture gallery.

Founded in 2010, Artichoke has been at the forefront of Singapore's premium-casual dining scene, winning these accolades over the years:

- Top 5 Restaurants in Singapore (IS Top Tables dining guide),
- Best Brunch (SG Reader's Choice Awards),
- Best Casual Restaurant (Honeycombers).

# OUR SPACES | FLOOR PLAN

# OUR SPACES | PRIVATE DINING ROOM

For smaller, more intimate parties, book our sun-lit air-conditioned Private Dining Room, with seating for up to 18 guests.

## OUR SPACES | INDOORS

Groups slightly larger, up to 45 in size, can book the entire indoor area which comprises of the Private Dining Room (pix on top row), and our main dining room (pix in second row). In case of wet weather, everyone is well sheltered.

# OUR SPACES | OUTDOORS

The entire restaurant (see the previously pictured indoor spaces, together with the outdoor space pictured above) is also available for exclusive buy-outs and can accommodate 90 seated guests comfortably. Do note that not all of the al fresco tables are fully sheltered in the event of rain.

Our 4-zone sound system allows us to tailor the volume in different areas, and can have up to 2 mics linked up as needed - this is only available for full restaurant buyouts.

# THE WHO

Helping the kitchen is Chef-owner Bjorn Shen.

With 15 years of global culinary experience, Bjorn believes that good Middle-Eastern cooking should have big flavours and lots of soul. The public seems to agree, awarding Bjorn with accolades including Chef of the Year (SC Global), Best Local Chef (SG Reader's Choice Awards), and Best 20 Chefs of Singapore (World Gourmet Summit). On top of it all, Bjorn is also a resident judge on MasterChef Singapore.

When you host an event at Artichoke, you can be sure that your food is in good hands.

# OUR FOOD

When it comes to the Artichoke brand of food - it's go big or go home.

We love starting your meal with a table full of mezzes like our rich Jewelled Hummus and a Fish Pastirma. Next, we hit you with a taste sensation of crisp, cool salads and smokey, wood-fired meat and seafood.

Imagine the flavour magic when a savoury Turkish rice pilav meets the signature Green Harissa Prawns. And of course, you can never go wrong with our seasonal Malabi.

If you're ready to go all the way, you can add more selections from our menu!

# SERVING STYLES

## COMMUNAL / FAMILY STYLE

- Food is served in 3 courses - mezze, mains, dessert.
- Dishes are designed to be shared around the table.

### WHY IT'S GREAT

- Our personal favourite way to eat - fun and interactive!
- You get to enjoy the food at its best, fresh out of the kitchen.

### CHOOSE THIS IF:

- You can organise a fixed seating plan for your party that has your guests divided equally across tables.
- You can ensure that your guests are punctual. All courses are served at the same time and the kitchen will only send out each course once.

## BUFFET LINE

- Food is served in batches as part of a buffet spread.
- Buffet service does not mean 'free-flow'. Food portions are calculated based on pre-confirmed guest numbers and we will only replenish each item up to its allocated quantity.

### WHY IT'S GREAT

- Greater time flexibility; with food that's already laid out on the buffet line, your guests can come and go any time they wish.
- This style of eating allows guests to move about freely, choose their own seats and change tables at will.

### CHOOSE THIS IF:

- You do not wish to enforce a strict arrival time on your guests.
- It is important to you that your guests get to mingle freely.
- You are willing to sacrifice 12 seats worth of space for a buffet line.

## CANAPE

- Food is served in waves, so guests get to try different things in consecutive waves
- Food portions are calculated based on pre-confirmed guest numbers

### WHY IT'S GREAT

- Each item is served in small portions, sized to be easily consumed with one or a few bites.
- Greater time flexibility; with food that's served in repeating waves, your guests can come and go any time they wish, and enjoy as little or as much snacks as they'd like

### CHOOSE THIS IF:

- You do not wish to enforce a strict arrival time on your guests.
- It is important to you that your guests get to mingle freely.
